UC Berkeley

November 25, 2019

## 1 Weaponize Vulnerability

Test 5's vulnerability can be easily weaponized. By modifying the **Session ID** cookie, we can manipulate the following **SQL Query**:

```
SELECT username FROM sessions WHERE id='{ }'
```

## 2 Vulnerability Writeup

### 2.1 Test 1

### 2.2 Test 5

### 2.3 Test 6

## 3 Other Issues
